Expectations Contract

for the

9th Grade Camping Trip

We expect that the Camping Trip will be an exciting and challenging experience for every member of the Class of 2018.
We also expect that everyone will be safe. As a means of assuring everyone's safety, we are requiring that each student carefully read, sign, and return the “Expectations Contract” to his/her adviser at the start of the school year in September.

I understand that during the Camping Trip I am expected to:

- follow all Upper School rules and policies (including no smoking, drinking, or drugs and no possession of weapons of any kind whatsoever).
- be mindful of the safety of others and myself by avoiding areas that are prohibited by the camping staff and being present for all scheduled activities.
- keep an open mind and positive attitude.

Finally, I understand that I will be subject to discipline by Packer if I do not follow all of the Upper School rules and policies or fail to live up to the above expectations by engaging in inappropriate behavior. I understand that disciplinary action may mean that I will be sent home early from the Camping Trip at my parents’ expense, or that my parents will be required to bring me home early.
